Walk #15

Walk Index

Walk 1: Gould & Clay Hills

Length—1.5 miles

Most of the walk is mildly steep with a short steep stretch as you come up off Route 15 onto Gould Hill. Use caution on Route 15. Park at Union Bank or at the Deli across the street.

Walk 2: River Park Loop

Length—.2 miles

Take this short easy walk and make it longer by going around the park as many times as you can. Park at the Skate Park.

Walk 3: Johnson State College (JSC)

Length—1 mile

A mildly steep walk around the JSC campus past the Dibden Center for the Arts. Park in any JSC lot that doesn't require a parking permit.

Walk 4: Clay Hill & Johnson State College

Length—1.5 miles

This walk offers a variety of flats and steep hills around the JSC campus and past the Elementary School. Park on the north side of campus by the cross-country trails.

Walk 5: School Street

Length—.8 miles

Park at the powerhouse beside the Gihon River or at the Pearl Street corner and enjoy this flat walk.

Walk 6: Duba Field

Length—.12 miles

The sign for this trail may be hard to spot as it's tucked between houses but find it and you will be able to enjoy this flat smooth walk.

Walk 7: United Church

Length—.2 miles

Trail is located behind the church and is flat but a bit rough.

Walk 8: Sinclair Road

Length—2 miles

This walk runs along Sinclair and Hunter Roads, which are unpaved but flat and plowed in winter. To make the journey a full two miles take Rocky Road out to the farm, it is a bit steep, but low traffic makes this an excellent walk.

Walk 9: Katy Win Trailer Park

Length—.5 miles

A short walk along dirt roads with pleasant hills.

Walk 10: St. Johns Church

Length—.2 miles

This brief walk is flat with some stairs and easy access to the parking lot.

Walk 11: Old Mill Park

Length—.5 miles

This is a flat dirt walking path around the baseball field. It is not plowed in winter.

Walk 12: Lendway Lane

Length—1.6 miles

The best dog walk in town all year long! This route is a flat, dirt road with very little traffic and is plowed in winter.

Walk 13: River Road East

Length—2.8 miles

This is a lovely flat dirt road with moderate traffic. Don't forget to check out Don's Head Falls!

Walk 14: River Road East, Waterman & French Hill Loop

Length—5 miles

This is a long walk with moderate traffic and some steep stretches... but well worth the effort.

Walk 15: Cemetery & Swamp Loop

Length—2.7 miles

This pleasant walk has moderate traffic, some hills and some very commanding views.
